Subject: credit card increases in fees and your congressperson

Hello Everyone;

(as usual please expand your screens for proper alignment of this article)

A HOTLINK - to really scald your butt:

<http://www.cnn.com/2009/POLITICS/10/09/credit.card.outrage/index.html>

FACTS THAT WILL MAKE YOU WANT TO FLY TO DC AND PUNCH YOUR CONGRESSMAN OR WOMAN IN THE MOUTH, or at minimum kick their collective butts.

1. THE MAJORITY OF CREDIT CARD ISSUERS HAVE INCREASED ALL OF THEIR CHARGES, INTEREST, USE FEES AND OTHER THINGS TO MAKE YOUR LIFE FAR MORE ENJOYABLE. Click the hotlink above to get the gist of this sentence. If you cannot open it copy it and paste it in your browser. **ALSO GET READY TO PAY THRU THE NOSE.**

2. THE BANKS AND CREDIT CARD COMPANIES are raising their charges and fees and interest etc.. These are the very same ones congress in 2008 & 2009 (same people in congress or at least most of them are for these years) gave TARP money to rescue them from failure. **REMEMBER -- THEY ARE USING OUR MONEY SO THEY WON'T FAIL AND ARE FORCING THE AMERICAN PUBLIC TOWARD FAILURE FOR ALLOWING THEM TO USE OUR MONEY.**

3. CONGRESS CAN STOP THESE INCREASES IMMEDIATELY WITH A VOTE ON 5 BILLS NOW IN CONGRESS BUT TABLED. You read that right. There are 5 bills already in congress and the senate **to force all of the banks and credit card issuers to rescind all increases** between September 2008 and January 01 of 2010, as well as these un-allowed or un-approved charge increases which congress has previously told these companies to rescind.

4. For the uninformed -- January 01, 2010 new restrictions against all lenders, banks and credit card issuers goes into effect. This new law restricts all increases that are not within approved governmental guidelines

10/29/2009

-- THRU THE CONGRESS AND SENATE.

5. THE CREDIT CARD ISSUING COMPANIES **BOLDLY AND DIRECTLY STATE** and I quote "THEY ARE RAISING THEIR FEES BEFORE THE LAW GOES INTO EFFECT AND WHICH WILL RESTRICT THEM FROM DOING IT".

6. THE CONGRESS and THE SENATE only have to act on the bills now pending and being tabled to make this **STOP IMMEDIATELY**. The only thing stopping congress from acting is one simple fact. **THE LOBBYISTS FOR THE BANKS AND CREDIT CARD COMPANIES ARE PAYING OFF THE CONGRESSMEN - WOMEN and SENATORS TO TABLE THESE BILLS UNTIL AFTER JANUARY 01 2010.**

By the way, some of these restrictive bills have been in congress since July of 2008, and been tabled for that period of time. **Three (3) new emergency bills** have been submitted over the past month but **ALL OF THE SENIOR REPRESENTATIVES AND SENATORS (BOTH PARTIES)** say they don't have the time to review and enact these bills because the health care bills are more important.

WAKE UP PEOPLE

THE BANKS AND CREDIT CARD
COMPANIES
WITH THE HELP OF CONGRESS
AND THE SENATE
ARE ABOUT TO

**FORCE YOU INTO
BANKRUPTCY.**

DAILY I GET EMAILS AND CALLS SAYING LETS IMPEACH OBAMA.
Friends even though you may not agree with or like him, it will take at minimum 3 years to get an impeachment bill before the Senate and Congress (after investigations and committee meetings). Remember it took 4 years to impeach Bill Clinton (**plus he was reelected during the impeachment proceedings**), and after he was impeached he stayed in office for the rest of his term. HE SERVED 8 years because not one person in the congress wanted to finish the procedure which would have taken two additional trials.

We can stop these increases from happening four very simple ways.

- 1. FLOOD THE CONGRESS AND SENATE SWITCHBOARDS WITH CALLS, TELEGRAMS AND EMAILS. **ALSO** REMEMBER TO FLOOD YOUR SENATORS & CONGRESSMEN and WOMEN'S OFFICES WITH EMAILS -- DO NOT GIVE THEM TIME TO DO ANYTHING EXCEPT RESPOND TO YOU.**
- 2. NOTIFY EACH CONGRESSMAN and WOMAN and SENATOR -- YOU WILL PERSONALLY WORK FOR THEIR IMMEDIATE REMOVAL FROM THEIR SEATS AND FULL, TOTAL AND COMPLETE DEFEAT IN THEIR UPCOMING CAMPAIGNS. REMEMBER THEY ARE ALL UP FOR RE-ELECTIONS.**
- 3. NOTIFY YOUR CREDIT CARD COMPANIES YOU REFUSE TO MAKE ANY FURTHER PAYMENTS UNLESS THESE AND ALL PREVIOUS FEES ARE REMOVED IMMEDIATELY (you need to pay attention to the hotlink I gave you at the beginning of this email letter).**
- 4. GET ALL OF YOUR FRIENDS, RELATIONS, NEIGHBORS and anyone you know to get on board and become involved.**
